

**Recommendation:**

That the Public Works-2023-08 report, dated May 2, 2023 regarding the 2023 Gravel Crushing and Haulage tender be received; and  
That Drain Bros. be awarded the tender for the Township's 2023 Gravel Crushing and Haulage requirements.

**Overview:**

A tender was issued regarding the 2023 gravel crushing, stockpiling and haulage. The tender PW-2023-02 closed on Wednesday, April 5, 2023, and two tender packages were received: Drain Bros. and Robert Young Construction.

The table below outlines the tender costs received.

Company	Crush/Stockpile	Haulage	Total
Drain Bros.	\$288,150.00 \$4.25/tonne	\$211,401.87	\$499,551.87
Robert Young Cons.	\$264,420.00 \$3.90/tonne	\$256,098.21	\$520,518.21

If there is any excavation outside of the original contract that requires additional equipment this will incur further costs as outlined in the table below.

Company	Excavator
Drain Bros.	\$214 / hour
Robert young Cons.	\$275 / hour

**Conclusion:**

Drain Bros. was the lowest tendered price received in the amount of \$499,551.87 and is within the Township's budget therefore staff recommend the tender be awarded to Drain Bros. for the 2023 gravel crushing and haulage.

**Financial Impact:**

The 2023 capital and operating gravel budget will adequately cover all costs.

**Strategic Plan Applicability:** To ensure that the public works department operates efficiently and effectively.

**Sustainability Plan Applicability:** To have an accessible transportation network that places priority on active and efficient modes of transportation.
