RE: OGRA Long Service Award Recognition

Dear Harold:

On behalf of Good Roads, it is my distinct pleasure to be awarding you a Good Roads Long Service Award. This honour is only given to those with a minimum of 30 years in the roads sector.

You have been nominated by Jake Condon for your **39** years of public service. This is an amazing accomplishment. Your career has spanned an era of unprecedented change for Ontario and all of its municipalities, including Township of Douro-Dummer. The one thing that has not changed during this time is the importance of your work. Everyone understands that better roads make better communities.

On behalf of everyone at Good Roads, I offer heartfelt congratulations as you celebrate this milestone.

Thank you for your service.

Best regards,

Scott Butler
Executive Director

CC: Jake Condon, Manager of Public Works, Township of Douro-Dummer
