**Re: 12<sup>th</sup> Line of Dummer and Drain Bros Gravel Pit**

---

The Township of Douro Dummer has made an agreement with Drain Bros Excavating to exchange land for the upgrade of the 12<sup>th</sup> line of Dummer. So new vertical and horizontal realignment to the 12<sup>th</sup> line can be accomplished by travelling over current pit property. This is a process that will require stopping up and closing the current travelled portion of the 12<sup>th</sup> line and adopting by By-law the new proposed right away and road over the pit property - which is a public process that needs to take place.

Thank you, for further inquiries please contact Township of Douro-Dummer

Sincerely,

David Clifford
