Dear Chuck Pedersen,

Further to ongoing discussions regarding the Fire Protection Grant (2024-2025), I am writing to confirm that the fire service has agreed (in principle) to utilizing its additional grant allocation to support its intended purpose as outlined below.

The Township of Douro/Dummer will be provided an additional amount of **\$361.73** to support the following approved project:

The funding request is to purchase particulate style hoods for each station, this will replace their front-line standard type of hood and is to support initial decontamination at the scene, followed by advanced cleaning and drying at the fire stations.

This aligns with the intended purpose of the Fire Protection Grant.

As part of this process, formalization of the additional grant allocation and a Transfer Payment Agreement is required and will be tabled by you for your municipal council at its next meeting.

The Office of the Fire Marshal will reach out to finalize and execute the Transfer Payment Agreement once municipal council has had the opportunity to approve your proposal for spending the additional funds provided.

Sincerely,

A handwritten signature in black ink that reads "Carrie Clark". The signature is written in a cursive, flowing style.
