

Road Safety Survey – Birchview Road

5
noted on
spreadsheet

"I am a property owner on either Birchview Road or one of the sideroads that go to the lake. I am concerned for the safety of pedestrians and others who use Birchview Road. There are no sidewalks and very few areas where pedestrians, cyclists and others can find safe shelter when confronted with vehicular traffic at blind hills and blind corners. I support the work of local property owners in working with Douro-Dummer Township staff to make whatever improvements that can be made, particularly at blind hills and blind corners, to make the road safer for all users."
