Dear Madam:

**Subject: Road Allowance Closure and Sale**  
**Unopened road allowance between Concession 4 and 5, Lot 1 Dummer Ward**  
**Bell File: 705-22-056**

---

We acknowledge receipt and thank you for your correspondence dated December 23, 2021.

Upon review by our local Engineering Department, it has been determined that Bell Canada will require a transfer of easement over the road allowance highlighted on the attached sketch in order to protect our existing buried installations.

Bell Canada kindly requests that the easement be granted from the Township of Douro-Dummer prior to the sale of these lands into private ownership. Please find attached to this email, the document that should be used for this transaction.

We look forward to receipt of the draft documents for our review and approval prior to registration. If there are any questions or concerns, please do not hesitate to call.

Yours truly,
