POSITION: MANAGER OF PUBLIC WORKS	PAGE: 1 of 4
REPORTS TO: CHIEF ADMINISTRATIVE OFFICER	DATE: November 2019
THIS JOB DESCRIPTION IS: __ NEW __ EXISTING <u>X</u> REVISED __ RESCINDED	

JOB SUMMARY:

Under the general direction of the Chief Administrative Officer, the Manager of Public Works is accountable for the operations of the Public Works Department, ensuring that Municipal Roads are maintained to specified levels and that relevant legislation, regulations and policy is adhered to. In addition, this position is accountable for the maintenance of Public Works Department buildings and municipal gravel pits; the maintenance and operation of the transfer station and closed municipal waste sites; provides leadership and direction to Public Works employees; and as a member of the Senior Management Team assists with management issues and provides leadership, advice and consultation to staff, council and the public as required.

DUTIES AND RESPONSIBILITIES:

1. Responsible for ensuring that road maintenance and construction are carried out in a timely and efficient manner as per municipal practices and procedures and ensure that all staff receive adequate training to accomplish this.
2. Responsible for the maintenance of Public Works Department buildings and equipment.
3. Responsible for the maintenance and day-to-day operation of the transfer station, closed municipal waste sites and waste collection contract.
4. Instructs staff as to what work is to be completed, all special considerations, materials, material sources, traffic controls to be used, correct methods and procedures of doing work, levels of service to be achieved and local considerations. Reviews problems with staff and provides guidance as to methods, priorities or other assistance that may be required. Develop a regular process of communication with public works staff, so that they are conversant with future plans and projects.
5. Adheres to legislation and regulations of various Provincial and Federal Ministries and agencies and Council Policies.
6. Prepares and oversees the operational and capital budgets for the Public Works and Waste Management Departments. Ensures accurate administration and monitoring of related expenditures.
7. Develops annual/weekly maintenance schedules for roads, public works buildings, transfer station and closed waste sites.
8. Investigates and resolves requests and concerns from taxpayers to ensure the necessary action is taken.
