### **Purpose and Effect of Application:**

The Owners have applied to amend the existing zoning of a portion of their property known municipally as 129 Douro Ninth Line and more particularly described as Part Lots 1 and 2, Concession 9 in the former Township of Douro, (now the Douro Ward of the Township of Douro-Dummer) in the County of Peterborough.

The subject property is currently zoned the Extractive Industrial Zone (M2), the Environmental Conservation Zone (EC), the Environmental Conservation Provincially Significant Wetland Zone (EC(P)), the Special District 106 Zone (S.D. 106) and the Rural Zone (RU) as illustrated on Schedule A1 to By-law No. 10-1996, as amended.

The Owners obtained a building permit (Permit DD-2023-1068) for the construction of an approximately 1189 square metre agricultural storage building in the Rural Zone (RU) portion of the subject property. An agricultural use is permitted in the (RU) Zone and structures must comply with Section 9.2.1 of By-law No. 10-1996, as amended. Specifically, Section 9.2.1.1 (c) requires a minimum exterior side yard of 45 metres. During construction, the Building Department became aware that the agricultural building was deficient in the required yard setback and was encroaching into the exterior side yard by approximately 19 metres.

(continued)

The effect of the Amendment is to rezone a portion of the subject lands from the Rural Zone (RU) to the Special District 258 Zone (S.D. 258). The (S.D. 258) Zone proposes to reduce the minimum exterior side yard requirement from 45 metres to 25 metres to permit the construction of the agricultural storage building. All other applicable zones and provisions of By-law No. 10-1996, as amended will continue to apply.
